Dear Sedona--

I have attached an official letter conditionally accepting you into the SEAS-CC 4-1 Program. The letter outlines what you have left to do in the Core Curriculum (just the swim test, if it is not waived this year) and directs you to meet with your departmental and CSA advisors to ensure that you are on track to earn your SEAS BS in May 2022. (The offer is "conditional" in the sense that it would be withdrawn if you did not complete your SEAS BS and all parts of the Core on schedule.)

Congratulations, and please let me know if you have any questions.

Best,

Nancy Workman, PhD
